

# New Zealand Certificate in Mining and Quarrying

Level 2

---

Designed in consultation with industry, this training programme is perfect for those entering the industry for the first time, providing foundation skills and the initial step in a rewarding career pathway.

---

### **Programme outline**

This Level 2 work-based programme is expected to take 7 months to complete.

The training programme includes a mix of practical training and assessment, undertaken in the workplace, and eLearning, allowing you to complete theory elements of the programme at your own pace. You will have access to online learning activities and course assessments, which can be easily accessed at any time and from any device – mobile phone, tablet or PC.

### **Entry requirements**

You must be employed full-time in the mining and quarrying industry to enrol in this programme.

### **2024 programme fee**

\$1,154 (excluding GST). Note this is an annual fee and is non-refundable.

### **Enrol now**

If you're ready to get qualified, enrol now at [mito.nz/miningandquarrying](https://www.mito.nz/miningandquarrying).

The training programme will lead to the following qualification outcomes:

QUALIFICATION OUTCOMES		CREDITS
<b>OUTCOME 1</b>	Understand how health and safety is applied in the mining and quarrying industry, to undertake safety-related tasks, under supervision.	25
<b>OUTCOME 2</b>	Demonstrate foundation understanding and ability to safely complete entry-level tasks related to mining and quarrying operations and processes under supervision.	10
<b>OUTCOME 3</b>	Communicate orally and in writing at a foundation level within a mining and quarrying workplace, to contribute to team performance.	5

**“ I've learned heaps since beginning MITO's training programme - which is awesome! ”**

Gemma Leeson, Machine Operator
